

LUMINOUS STAIR TREAD

### STAIR TREADS

The one-piece integrated tread and riser is available with or without a luminous strip. Stair treads are a rubber, slip resistance floor covering intended to increase safety conditions in stairwells. Available in two sizes: 4 foot and 6 foot.

FEATURES & BENEFITS

- Slip resistance for increased safety
- Mask substrate irregularities
- Luminous stair treads light up when stairwell becomes dark, allowing safe pathway to outside in emergency situation
- Available on GSA Contract
- FloorScore Certified
- 5 Year Commercial Limited Warranty

SUGGESTED APPLICATIONS

Commercial Stairwell
